

22th of January 2021, the Boréal 47.2 officially received the award “European Yacht of the Year 2021” in the “Bluewater Cruiser” category.

We dedicate this award to all our suppliers, partners and **teams who day after day put all their energy and expertise in building the best possible Boréal**. We are very grateful for the trust of our owners. They are a source of inspiration in our quest for excellence.
